

GIVING

Changes the Course of History

The Leave a Legacy Guild - Giving Planned for Tomorrow

Legacy planned giving continues to see an upward spiral. Between 2000 and 2015, the *Leave a Legacy Guild* welcomed 43 new planned giving members who have informed Evergreen that we have been named as a beneficiary in their estate plans.

Periodically we receive unexpected estate gifts. While we are gratefully surprised, our growing the *Leave a Legacy Guild* membership has purposes meant to benefit our members. Knowing of our planned giving members' plans enables us to express our loving gratitude during their lifetimes. It also enables us to share with the entire Evergreen community our heartfelt appreciation for their generous and loving foresight.

LEAVE A LEGACY GUILD PLANNED GIFTS

We are grateful for our residents and friends who plan to leave a legacy to Evergreen and make a lasting impact on Evergreen history.
